# EVERY SINGLE ASPECT OF MASS IMMIGRATION IS JEWISH

**BARBARA LERNER SPECTRE** - Founder of Paideia, European Institute for Jewish Studies in Sweden

"Europe is not going to be the monolithic societies they once were in the last century."

"Jews are going to be at the center of that."

"They are now going into a multicultural mode, and Jews will be resented because of our leading role."

**EMANUEL CELLER** - US Congressman, 39th Dean of the House of Representatives - Hart-Celler Act, 1965

"It is the purpose of the majority of the Immigration Committee to encourage assimilation, yet this bill has already done more than anything I know of to bring about discord among our resident aliens."

"I had fought against the unjust restriction of immigration."

**GEORGE SOROS** - Founder and Board Chair of The Open Society Foundations

"Our plan treats the protection of refugees as the objective and national borders as the obstacle."

"[Europe] has to accept at least a million asylum-seekers annually for the foreseeable future."

"The EU ought to borrow money to pay for surge funding for refugees."

**BILL KRISTOL** - Founder of Project for the New American Century (PNAC)

"...if things are so bad as you say with the White, working class, don't you want to get new Americans in?"

"You need people who are poor from other parts of the country who want to get wealthy, who want to get rich, who want to move ahead in life in order to keep the country moving because the white majority gets fat, dumb, happy, and lazy."

# Papergoy Beginner's Guide

The first thing you'll need to begin your flyer activism, is flyers. If you're a lazy goy, no worries, they can be purchased and mailed directly to you from the [Goyim TV Shop](#).

However, if you want to save money, you'll need to print your own. How much each flyer is going to cost you is greatly determined by your choice in printers. Within the last few years as technology has advanced, a new type of printer has entered the market known as an **Ink Tank printer**.

[The Epson EcoTank ET-2800](#) Can be purchased for around \$200.00 Dollars USD.

With an **Ink Tank Printer** you can expect high quality flyers that match any other printer type on the market.

With just one set of Ink tubes which usually is included with the printer, you can expect to yield about 7,500 Black and White Flyers (15,000 half sheets), or 6,000 Color Flyers (12,000 half sheets).

The cost for a set of refill ink tubes can be purchased online for less than 20 dollars. In conclusion, **Ink Tank Printer's** are one of the best choice printers for your Flyer Activism.

## Why Distribute Our Flyers?

If you live in the United States, our flyers have been fact checked multiple times for accuracy, and legality to be distributed. While Goyim Defense League permits our flyers to be modified or white labeled with your group or organizations logos, leaving the legal disclaimer that the flyer was distributed randomly without malicious intent at the bottom is highly encouraged.

If you choose to make your own flyers for a topic that we haven't already covered, it is wise to avoid putting Swastika's or other logos deemed to be hate symbols by the ADL.

## Where to Flyer

Residential areas are generally the ideal place to throw flyers. If your goal is to make News headlines, the higher the market value of the houses, the more likely it will be reported and make it on the evening News.

Keep in mind if you are tossing flyers from a vehicle, they will need to be secured in a bag and weighed down with a material such as Sand/Rice/Corn to ensure they do not blow away in the wind, or become unreadable from weather conditions such as rain or snow. You do not want to weigh down the bags with anything that could cause property damage such as heavy rocks or metals.

Another option if you do not wish to invest the time in bagging flyers to be thrown from a vehicle, is to distribute them on cars in a publicly accessible parking lot, or if you're a bold Goy, handed to individuals in person. If you are a person with a prominent job that could be in jeopardy should you be doxed, it may be a good idea to wear a mask and sunglasses.

## Where Not to Flyer

Because of how hate crime laws work in the US and other countries, never distribute flyers at Religious institutions or parking lots. While some locations such as Australia or some

European Countries Mailboxes/Letterboxes are not off limits, in the United States they should be avoided as mail tampering is a federal crime.

If there is any doubt in your mind as to the legality of your activism practices in your area, do some research first! We don't want our PaperGoy's going to Jail or Prison!

## Avoid Stickers

There are some of our guys who do activism in Iceland where it is legal to use stickers, however in the US/Canada/EU/Australia there are a plethora of charges you could be hit with if you are caught distributing stickers. Flyers are much more effective than stickers, and are legal to distribute if done properly.

## When to Flyer

If you are someone concerned about being doxed, it may be tempting to distribute flyers at late hours of the night when everyone is asleep. While it is darker and harder to be identified at night, prowling around at late hours will immediately make you appear suspicious if spotted.

Distributing flyers during the afternoon or early evening will provide you an array of other individuals and traffic that will camouflage your activism activities.

Don't be detoured by Jewish Hallmark Holidays, plenty of our PaperGoy's go out on Christmas, or any other major Holiday. When the Jewish Media covers your activism, they'll always kvetch about it being around the timeline of some Jewish holiday anyways in effort to demonize you. **ANY DAY** is a good day for distributing flyers! 😎

## Lastly, When in Doubt, Reach Out!

If you have questions or concerns about distributing flyers, be sure to reach out to some of our Home Goy's on our [Telegram](#) Channel.
