"Who is the base for the warmonger? Who is behind the Bolton/Graham types?"

These are fundamentalist christian white boomer protestants who think that their allegiance to Israel is fulfilling some biblical prophecy to bring about "the end times" because these **** are "god's chosen people forever!" They truly are some of the dumbest ***** people you'll ever meet. Biblical literalists who conveniently don't read the bible or understand anything about the New Covenant vs. the Old Covenant (in their own faith). They've spent the last thirty years listening to Fox News **** spin Hasbara while Israeli's brutalize and colonized Palestinians permanently encroaching beyond the 1967 agreed upon borders. Talk to them about 9/11, blank stare... talk to them about the U.S.S. Liberty, blank stare... talk to them about the Lavon Affair, blank stare... talk to them about Israeli's stealing nuclear secrets from the United States, blank stare... talk to them about Epstein as a Mossad agent blackmailing politicians, blank stare... talk to them about congressional "AIPAC guys", blank stare... talk to them about Jewish Central Banking, blank stare... they are completely fluoridated and grew up "drinking out of the hose" and eating lead paint chips.

They are ***** HOPELESS, and cannot die off fast enough.
