You know what they say in the Lone Star State: Allah Bless Texas!

Wait, that doesn't sound right ... or does it?

Welcome to Epic City and [Epic Ranches](#)! A Muslim town built by and for Muslims and Muslims only. Deep in the heart of Texas!

Yes, this is a real thing. We have Epic city, with the outskirts having a little more room at the Epic Ranches!

An entire city of over 1,000 people, 30 minutes outside of Dallas. Filled. So why not build Epic Ranches to meet demand for Muslims who weren't quick enough to get into the city?

***Welcome to EPIC Ranches**, where we are committed to building a vibrant and inclusive community that serves the evolving needs of the Muslim community. Our vision is rooted in creating a safe and purpose-built environment that fosters growth, connection, and prosperity for all who call EPIC City home.*

[They've got](#) Islamic schools, mosques, stores. Everything that is needed for a Muslim to live comfortably in their own city to make sure they don't have the opportunity to assimilate into American culture.
